Louisa was a very beautiful lady, both inside and out. When my children were growing up, her home was a special place for the Garza family. Both her and Chepe always made us feel so welcome, they could never do enough for us, when we visited. Things, like that, you never forget!!! A very special sister-in-law, whom I loved dearly! My thoughts and prayers go out to all her loved ones. She is dearly loved and will be sadly missed, by all of us! Your sister-in-law, Blanche Garza

I am very fortunate that I came to know and able to care for this special woman. We spent many times watching TV shows together and enjoy each other's company during many dinners. And her favorite was the shrimp dinner. As the years pass she became more quiet and frail but I could see it in her eyes she was happy that her friends and son were by her side and in the place she call home taking care of her. She is with God now. She is looking down upon us all and being Thankful she got her wish. She will be truly missed. Maria Miller caregiver.

Easter Sunday (4/20/14); a very sad day. I will always keep the sweetest memories of my Aunt Louisa in my heart. In my eyes she and Uncle Chepe were two beautiful people. I can remember as a child feeling so loved and always welcome in their home. They both would get so excited when they knew we were coming for a visit. "The Dee Dee's are coming. The Dee Dee's are coming." I can still hear it clear as day. Thank you Aunt Louisa for all the priceless memories you have given me and all the beautiful dresses you bought for me when you worked at Hartfields. I love you and will miss you always. Your niece...

I am not sure if this is Mary Lou that used to work at Hartfields. My name is Ursula Witzel and I worked with her from 1966 to 1982. Please let me know if this is the same person. My email is uwitzel@aol.com
