**Michele Najera** posted:

my prayer of love and understanding to his family and the ones who have been with him thru his ups and downs. I never knew Roger but know many that battle daily. It saddens me to know the battles one endures daily is the very that took his life. I would like to say a prayer for Roger and the ones who are reading please pray with me. Father, I come before you asking forgiveness of my sins and pray for your mercy and wisdom. I too have been consumed of the evils of this world 🌍. I lift up our Brother Roger Thompson that he may be a light to the darkness in our city, to penetrate a desire to live and love one another. Father I pray to you for the future of our children and their children to never know drug addiction. I pray for your loving hands to touch each and everyone of us, pierce our hearts with love and wellbeing so we may know sobriety and embrace it and never let go Father. Build in us, strengthen us so we may fight the fire 🔥 arrows 🏹 of the devil so he has no victory over us. Please forgive Roger of his sins.. I pray Roger Thompson will kneel before Father. In Jesus name we pray. AMEN. The things I love, I do not do and the things I hate I do. I will never forget when I read that in the Bible. God created us in his own image. I struggle everyday with the evils of the world 🌍 and it is tough. Some days are more rough than others. There just comes a time when you turn around and walk the other way. It takes a lot of blood, sweat, and tears but our Father will be with you every step of the way. Michele Najera El Cajon 1969
