Dearest Lauren, I'm sure you're thrilled to be reunited with your mother, Sharon, and Ronnie again. Thank you for teaching me how to pray. About 97% of my prayers have been answered since we first met, and they were all unbelievable miracles. You loved cats so much and you were so good to those in need too. I just know your kitty misses you; Beesley is sad also. You truly were a remarkable woman, one of the coolest. Knowing you was a high point, and I will miss our little talks.

Hey there, Gorgeous! How is heaven? Do you like your mansion? I'm sure all the angels are crazy about your sparkly eyes and razzle-dazzle smile. When I get there, you are going to have to explain how "Velora Vesta" became "Lauren." What a little minx you are! Have fun in that glorious new body. Ooh la la! See you soon, dearest. Love you!

My gorgeous spirited Lauren, you were like a second mom and best friend to me for the past 30 years; we had a deep connection to each other. I loved and admired your strength and beauty, touched with a heart of gold. The world has lost a major animal lover, and a sweet courageous soul. I bet you look beautiful in Heaven... (tears). I'll love you forever.

An amazing woman. In all my years I have yet to meet anyone who had such a wonderful, positive energy... She radiated peace. Our Lord brought her home, she will be missed but is now in paradise! Take care, we miss you dearly... Charles Schnell
