great, grand-niece. RB was my great grand fathers younger brother. My favorite story he told me in a letter; was when Pearl Harbor happened he was in the middle of the Pacific on a ocean tug boat bringing a ship back to Pearl. When WWII ended he was again near the same part of the Pacific doing the same thing, towing a ship back to Pearl.

Even though we knew Roy and Bess for years, we were glad to find out more about his life. The service sounds wonderful and if Rob felt better, we would come. We will be praying for you, Dana. Love, Rob and Florence

To the family of Roy B. Chappell...You are all in our thoughts and our prayers. God Bless you all during this difficult time. We love you all so much and we are here for you guys if you need anything. Just to share a little memory I have of Roy...Fernando was switching wallets the other night and came across the Liberty Card I had made out of one of Fernando's old driver licenses. When I showed it to Roy he just loved it and smiled. The Liberty Card is a card that you receive in the Military. We would love listening to Roy talk about all his wonderful stories and listening to him when he would pray. I really miss our Wednesday night prayer meetings we would have with him. We just adored Roy and will always keep him close to our hearts and our minds. We Love You Roy! Love, The Hernandez Family
