My heart goes out to my grandfather, and my father for the loss of such a dear family member- wife, and mother- who is also my grandmother. I have some very special memories of her, some of which include taking me to the precious moments museum, always making sure I had a pillow in the back seat when we went for rides, and teaching me how to make jam and some special cookies that I still pass out to friends and family every Christmas. You will be missed, Grandma- may you rest in peace.

Dear Mom, You were an amazing mother and a true Jane of all Trades, capable of handling anything that came your way. Your devotion to the family was second to none, as you were always willing to help others when you should have been at rest. But now we hold you in our precious memories and cherish the time we had. So keep a watchful eye on us, as you are now amongst the Heavenly Blest. Love, Larry & Pam
