Your mom was the best supervisor I ever had while at Kaiser. She was an encourager, could practice tough love when needed. But always with love. I was an LVN when she came to Kaiser, and with her encouragement I went back to college and got my RN degree. I wish I could attend her services and extend my sympathy to you, but I can no longer drive. I know she'll be missed! God bless, Barb Steer

Aunt Tess was always a friend. She would laugh, she would love, but she never complained. She was always doing something. She was so very close to my Mom, her Sister, and they spoke every night. I was always Junior to her, even at 63. I will always miss Aunt Tess.
