My brother-in-law was a good friend, a good man and even a better father. It seems kind of fitting that our Lord decided that he needed Oliva on Father's Day to help him in the kingdom of Heaven. My heart is filling with such wonderful memories of the time's we shared together. To Linda, Kelly and OJ, my heart is heavy for your loss, but know he is doing God's work now and will always be watching over protecting you like the warrior he is.
