Uncle Bob,I will always remember you as a kind and loving person. Throughout my life, I will never forget how you always took the time to ask how I was doing and what was going on in my life. You truly cared. I always was proud to tell my friends about you and how you served our country. You will be greatly missed, but I know you are in a better place and that I will see you again in heaven.Love,Bryan Ault

Uncle Bob, you are truly missed by my family and I. I would not be where I am at today without your guidance, patience, help and knowledge. Not only were you my god-father, but also the only person I looked at as a father figure. Thank you for everything! Aunt Salud, I love you and may God help you through your grieving. I am here for you. Love Always...Marites Perez & family
