Its been a couple of weeks now and I am still in disbelief. I know that you (Barbara and Marvin) are still feeling the pain and probably the disbelief also, but know that she was loved while here and even moreso that she is no longer here with us, but with our Heavenly Father. May you feel my arms wrapped around you and my heart beating as heavily as yours, but know that she is home and at peace smiling down on all of us and wondering where she is gonna get something to eat. Smile, smile, smile and feel my arms around you both today and always. Love you guys!
