Tony, Antone and family, I am so very sorry for the loss of Tami. I have been her aesthetician since 2004. What a wonderful person she has always been- beautiful inside and out. She always made me laugh and even though you had moved to Arizona for awhile we always kept in touch. I will miss her greatly. Please let me know if there is anything I can do for you. I am praying for you as well.

Dear DeAngelis/Scala Family — Having worked with Tami for a few years at the Union-Tribune, I was privileged to enjoy her lovely personality and great sense of humor. Even though it's been a while since I've seen her, I have wonderful memories of her great work ethic, responsibility to customers, and her pleasant nature. I am so sad to hear of her passing, and I can only imagine how tough this is for all of you. My husband, Herm, and I will be praying for you – God bless you. Tony, Antone & DeAngelis Family, Our hearts are broken from the loss of your beautiful Tami. She was a joy to know and have as a friend. Tami had a way of making us feel that we were important to her, and we miss her all the more for it. We loved her delightful quirks and was so much fun to tease. Gary enjoyed rearranging her compulsively neat U-T desk into untidiness, and she would always react with good humor and fun. Such a joyous, lovely woman, that the void she leaves will be hard to bear. May her lovely spirit give us all comfort in this time of loss. Love, Gary & Marie McLaughlin, Justin & Brett La Mesa, California

Dear Tami – I am so sad that you are not in our lives. We all miss your smile, friendship, and co-worker competitiveness. You made everyday at the U-T a better place to be. I got so use to seeing you everyday sitting across from your cubical, I keep thinking that you're just out to lunch and this is all a crazy dream – at least that is what I keep thinking. I am still in denial. I'll always remember you for putting all of the mandarin orange "cuties" stickers all over my desk, and phone, and mousepad, and Ipad. Whenever I see them for now on, I will always think of you. I am also going to miss calling you Ta-miriam = Tami + Myriam. You two are like 'peas and carrots'. I know Myriam misses you the most. God Bless and hope to see you again someday, but not too soon please. ??
