Aunt Georgia, I am so thankful for being able to tell you Thank you for being You! I hold and treasure so many memories of you. From when you used to come to our house back on 39th st to watchign in awe as you would sing the words to every song on the radio to your wonderful sense of kindness & generosity and giving of yourself to others. We had so much fun going to the concerts together-I will never forget. And in all this, you taught me to continue to love & give freely despite what circumstances we may be in. You truly fought the fine fight and God called you home to rest. I Love you so very much!
