Hi Grandpa, today is Grandparents day and I of course got to thinking about you. Miss you very much and talk to you often. Pictures of you and Grandma have a big chunk of real estate on my refrigerator. I try to check in on Grandma fairly often and share stories about you to Patrick and Sara. I wish they had an opportunity to get to know the amazing person you were. I still dream about you from time to time but they are never sad..if anything I feel peaceful after your dream visits like you were just checking in...You were just the best Grandpa anyone could ever ask for..I will leave saying don't be a stranger I am always happy to share my dreams with you. I Love you Grandpa always, Jamie

Much love to the whole family as you say goodbye to Bob. I have wonderful memories of singing in choir with him at CABC. He and Alan's Dad, John Blake, singing together in the tenor section....Lovely memories. Keeping all of you in prayer.
