You are the best man at my wedding in 2002. I remember when you got married you were my dorm mate in the military I don't know what happened to you but I was just trying to find you and knew that we had lost each other's contacts over the years. I'm so sorry to find this.

Hey dad I know it's been awhile since I've seen you but just know that I will always love you so so much you are the best dad that anyone could have. It's been so long that I'm starting to forget what you sound like and I hate it, I still haven't recovered since the incident and everytime it's your birthday I cant stop crying everyone misses you even Layla. She cries sometimes when ever she thinks of you and it breaks my heart so much. I just want you to know that I'm always thinking of you and that will never change I just hope maybe once a year or something like that, you will come in my dreams and just give me a hug cause that's the thing I really miss I love you Dad..

Uncle Pat, It's been many years now since your death, but I still miss you very much. Though I was young then, that doesn't change the grief I still feel when I think of you, I love you so very much. I remember you'd play the guitar for me, but I was too shy to care. You were like a father figure to me, someone to look up to when dad wasn't around. I know he misses you too, as well as Austin. We all love you uncle Pat, you'll never be forgotten.

I LOVE you Patrick. I LOVE you Patrick. You will NEVER, NEVER be forgotten by all you have touched. As I said before, the children will be just fine because they have a loving family in Washington. I watched Tink interact with the kids, and her gentle soul will foster their love they have for you. I do know you are with your brothers and will protect them while they protect and serve us here on Earth. Pat, My heart goes out to you and all the problems you dealt with. You have done wonderful things in your short life here on Earth and will continue to do so. I miss you Patrick and you will be in my heart. I love you Patrick. Aunt Peggy

Pat, this year has flown by and I still and will forever and ever miss you. I Love you Pat. I know the children will be ok. I saw Tink and the kids this summer. That little Layla looks so much like you, she is beautiful. I know you did not mean to leave this earth so soon, and I know your passion for life and family and friends still burns inside you. Your great smile is etched in my mind. Save your Aunt Peggy a place in heaven, or where ever. Love you Nephew, Peggy
