Betty Dominguez posted:

It was hard to understand how this happened to you, my father and only dad. I think about things over and over again. I know that our relationship was good so please rest in the arms of our Lord, Jesus Christ. Come, visit me and give several signs that your with me and doing well. I believe your in heaven with our Lord Jesus. I love you Daddy and I will always pray for you in my prayers. Love from yours truly always, Betty Dominguez
