So this is goodbye, I cant cry?;I cant look down at your face and cry, becauseI know if the tears spill over my cheeks this time they are never going tostop. I know that your away from the pain, I know that your happy now, I know that nothing can hurt you now, but I also know that I will never see you on this earth ever again. I will never get a chance to say goodbye and I will never get a chance not to cry.....hardest goodbye ever but if you are seeing this right now mi tÃa...goodbye and i love you
