There comes a time when all of us have to make the trip to our final destination in heaven, some of us may take it sooner than others but the loved ones that have to make the journey before we do, they will be the ones to greet you and make the transition an unimaginable experience. So I thank you uncle for guiding me in life and the guide that you will be for me in heaven but as of now you are sincerely missed and loved. God bless you!

My condolences to the whole Perrault family. Eric's passing was such a shock. Although we were miles away we remained friends and kept in touch. Each time I saw Eric it was like no time had passed. May he rest in peace.

Despite the unexpectedly sudden passing of Eric, he's still definitely and will always be in my spirits and thoughts, that's for sure. From my own life experiences with him on any occasion, I knew Eric was such a real sweetheart guy with a beautifully endearing smile on his face, so that's why he was one of the most special people I had ever met in my whole life. Bless his heart! He'll be greatly missed, indeed. Rest in peace, Eric!

My baby Brother Raymond...Eric as we call him was one of the most beautiful persons ever. His smile was beautiful, his laughter contagious. He always had an upbeat attitude. You never saw him mad. He took things with a grain of salt and always looked to the brighter side of things. Simplicity was the key for Eric. He didn't store up or own a lot of material things, he stored up what was so much more important...Living life, memories and leaving a legacy of Love. Eric. I Love you! Your Big Sister, Rochelle (Roach)
