Dear Nancy and family. We are deeply sorry for your loss. Art was a dear man I am proud to have called my cousin. It was apparent that he held his family dear and was very proud of you all. I could see it in his face as he spoke of each of you at the family Christmas party's. I know what it is like to lose a father so soon. Just know that we are holding you all up in prayer and that healing will come in time. We need to keep our faith in God and draw close to Him more than ever so one day we will be united with our loved ones. We love you all. Diana, Kent, Adam, John & Sam Martin
