To my dear Big Brother Manoy,Now that you're gone, your good and loving memories will always be remembered. Thank you so much for being my big brother. You are one of a kind. Words are not enough to say how blessed I am to have you as my big brother and I'm proud to be called your "little sister". I'm really going to miss you – your sweet big smile, your jokes, your phones calls, and so much more. I have lots, lots, lots of fond memories of you, especially weeks before you left us to be with our heavenly Father. Rest in peace, Manoy. "You are gone but not forgotten." For you my dad, I want to say thank you for taking care of me since I was born, You never said the word "I love you" but I can always feel it from your actions, thank you for carrying me when I can't walk far anymore, thank you for the jokes that you have shared to all of us, thank you for the smiles that you shown us when we tell you something that we have accomplished, theres a glow in your eyes each time we do good things for the family and others, thank you for keeping a secret before mom finds out and we both get in trouble, thank you for being a walking dictionary when I'm lazy to look for a meaning of a word, thank you for being so proud of us, thank you for being so simple, because you never pressured us to be as intelligent as you, thank you for your advices I will surely miss it, up until now I still ask you about advices, can you still talk to me in my dreams if I needed an advice in the future? you can always come visit me in my dreams, I will talk to you everyday, you can answer me I won't get scared, I promise. If you will be the ghost.. I won't mind it. you know I'm scared of ghost before, not anymore. I wish and pray that my two boys will become a chess master like you and I hope they will catch a little of your intelligence(genes) when they grow up. If none of us your kids got that, then there's still hope from your grandkids. give us strength to get thru this specially mom. we are in pain right now. MAHAL NA MAHAL KITA PA—DAY EL!!!!

To my dearest family, some things I'd like to say...but first of all, to let you know, that I arrived okay.I'm writing this from heaven. Here I dwell with God above.Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you." It's good to have you back again; you were missed while you were gone.As for your dearest family, they'll be here later on.I need you here badly; you're part of my plan.There's so much that we have to do, to help our mortal man. God gave me a list of things, that he wished for me to do.And foremost on the list, was to watch and care for you.And when you lie in bed at night, the day's chores put to flight.God and I are closest to you....in the middle of the night.When you think of my life on earth, and all those loving yearsbecause you are only human, they are bound to bring you tears.But do not be afraid to cry; it does relieve the pain.Remember there would be no flowers, unless there was some rain.I wish that I could tell you all that God has planned.But if I were to tell you, you wouldn't understand.But one thing is for certain, though my life on earth is o'er.I'm closer to you now, than I ever was before.There are many rocky roads ahead of you and many hills to climb;but together we can do it by taking one day at a time.It was always my philosophy and I'd like it for you too...that as you give unto the world, the world will give to you.If you can help somebody who's in sorrow and pain,then you can say to God at night....."My day was not in vain."And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile.So if you meet somebody who is sad and feeling low,just lend a hand to pick him up, as on your way you go.When you're walking down the street, and you've got me on your mind;I'm walking in your footsteps only half a step behind.And when it's time for you to go.... from that body to be free,remember you're not going.....you're coming here to me.
