My remembrance of Patsy is of a sweet person always friendly and loving towards family and friends. May she rest in peace and her family always know and remember how much sunshine she brought into this world and how lovingly she will be remembered by all who knew her.

The thing I love and remember best about Patsy is her smile. Patsy had a beautiful smile. It made you feel safe and welcome. No matter how much time had passed, Patsy always had that beautiful smile ready for me when I walked in the door. Because of her, when strangers approach me, I always try to smile and make them feel safe & welcome ... like she did for me.

Tia, We will always miss you, we love you so much. The time has come where you no longer have to suffer. The good Lord has chosen a great person for his team, one of the best. Now it's your turn to fly with with the Angels and protect those who are still part of this cruel world. Let the music play, and have a good time and dance away in Heaven. You will be greatly missed, but always in my heart.
