Sylvia was something special. She was my hairdresser and my friend. I can't believe she is gone from this world but I know she is safe with our Lord. She was funny, kind, a great listener, a good friend, an awesome hairdresser. She always listened and never judged and always wanted what was best for people. Every time I came to see her she always had coffee and some yummy treat. I was honored to know her. She loved her family so much and I always loved to hear about her trips abroad. I remember her stories of Beasley and her dogs that she loved so much. When she shared the news of her illness I never thought that she wouldn't be able to beat it. The world is a darker place without her.

Dear Roberto and family, I am so sorry for your loss. Sylvia was such a wonderful, loving woman. She was a friend to everyone, and always made you feel like she truly cared about your life. Seeing her as my hairdresser was a special event, because she was such a talented, exceptional hairdresser, but also a dear friend. We also shared a lab background, so we talked a lot about blood drawing. I know she is not suffering any longer, but can only imagine the huge hole her loss leaves in your lives. Please know that lots of love and prayers are sent to you by everyone whose life she graced. She was a blessing to us all. Love, Kim Aposporos

To Sylvia's family, I'm so very sorry for your loss. Sylvia was my hairdresser for many years, but she really became more like a friend. I often called her "my therapist" as she listened to me, my stories, my concerns, and lovingly supported me in many ways. When I first heard about her serious illness, I could hardly believe that she might not make it. I will keep all of you in my thoughts and prayers. With love, Penny P. Moreau, also called "Miss Penny" by Sylvia
