Growing up on Mulvaney Drive, my best friend (Suzanne Diehl) and I loved spending time at the Shaw's. Suzanne lived next door to them and I lived across the street. Mr. Shaw was always doing something around the house and we loved to see his "projects". The fish pond he put in their backyard was a particular favorite. Suzanne and I also enjoyed playing with their dogs, hanging out with Lee Anne and listening to Ken (aka Mike) play his electric guitar. Mr. Shaw was a kind, loving soul. When I think of him it will be with love. ❤️ Sara Holloway-Smith Highlands Ranch, Colorado

I am so grateful to Uncle Larry for taking the time to help Dominick with a family tree project for school. Dominick was very impressed learning about ancestors coming to the U S as far back as the 1800's. I will miss that information that he would share as he discovered it. I will miss the random picture and captions he would send me out of the blue. I am so sorry I missed your call a couple weeks ago and didn't get back to you. You are loved and will be truly missed. Give my mom and dad a hug and kiss for me. Love always - Kathy ☐
