♥ To those who lovingly referred to my mother as their honorary mother, she cherished sharing her love and food from Tam's Thailand Food with all of you. 🍷 It's been nearly six years since she left us, and I know that her family and loved ones hold dear their personal memories of the time they spent with her. 🍷 For the past six years, I've made it a point to share my stories and laughter with the world as a tribute to her. Utilizing The WWW, I found a community of online folks with my shared passions From Russia to Hawai'i, and even on stages in Las Vegas, Nevada & Omaha, Nebraska. Even parts of Asia, I've taken every opportunity to share her love and spirit. Now, I invite you to join me in celebrating her life by sharing your own memories of her. Can you help me and my family by sharing your stories? #MamaTam #ThaiShtick #HaHaHa555 #TalkStory
