I love and Miss you my beautiful sister, Thank you for being you and teaching me what unconditional love truly means. Life won't be the same without you, but God needed another Angel in heaven and I know you'll be watching over us. Till we meet again 🥹❤️

It is so hard to believe that she is gone. I just saw her the other day and talked to her. She is always smiling and always talked about her sister and her dogs. She knew that I loved dogs. Prayers for the family and friends. Joan Coats
