June was one of my favorite women in my life. I grew up with her family in San Diego. My father was best friends with her husband Angel and I have just the best memories of our family get-togethers. I last saw her in Albuquerque NM in 2004 when my father was dying of cancer. She was always such a genuine, caring, and very loving person. I am sure she is truly missed by her family. RIP June! You know the Guarneros family loves you dearly!!

Happy Birthday Grandma....I miss you more than words can convey. You were the glue that held our family together. My life feels empty without you. I love you with my whole heart, with every part of me, every breath. I know you are in Heaven. If anyone deserves to be there with our Father it's you. Until we meet again...Loving you forever and always, your Granddaughter Melissa Marie
