Jake made a deep and lasting impression with our family. From the first day he came to our home, his smile lit the room and his laugh filled the house with joy. We have so many fond memories of Jake (especially Bentley the dog) that we cherish. There are little things we miss, like the way he would twirl the front of his hair when he was quiet or watching TV. Star Wars marathons, or the day he taught us how to make a grilled cheese sandwich the right way, the way Misti did. There are so many memories but more than anything, we will miss being in his presence. Thank you for sharing your son with us. He was a bright light in our lives that we miss and love. I hope you get a little comfort knowing that he was loved by so many. May God bless your family and give you the strength you need to heal and may Jake rest in peace. ---The Crandall Family

There are no words to convey how my body synchronized with yours Misty when I read the news of your sweet son's passing. I have a sensitivity to his spirit and feel such peace and yet I know from suffering loss myself that this isn't comfort alone. I am praying for you all and please reach out to me, to your friends, to all the ones who genuinely love and honor you and your family for peace during this time. May God bless his soul and keep your family whole and united in love at this time. In Jesus' name Amen.
