I am so sorry to find out Maurice has passed away. I worked with Maurine at Kmart for five years. We used to take our lunch breaks together. She was so kind and was someone I looked up to and valued her opinion and advice. I was so young. Kmart was my first job at 19. We kept in touch for a while after I left and she would share with me what was happening at the store and in her life and I would share with her what was happening at my job and in my life. We lost contact and I just found my old address book. I remember her sharing her pictures of the Alaskan Cruise she went on with her husband Sam. She was so happy about that vacation and her faced just beamed with happiness. She was a very lovely person. My condolences to her children that she spoke of so often and with love.
