Sonny, Julie and family, I'm so sorry this tragedy has happen to you. I know the feeling you are feeling. If there is anything I can do to help you guys get through this please let me know. You know i always remember how Animal would always try to get Brittany to let him get a discount on what he was buying from the store. And she would tell sorry can't do it. And they would laugh at one another as we would be leaving out the store. Now she is where he is now, looking down on all of us. We love you guys. Animal & Mel
