Donald Perez lit a candle in honor of Rosalie "Rosie".

To the family & friends of Rose🍷Heine, our condolences.We're so sorry to hear about your loss.She was an amazing woman; what we always admired about her, was her great sense of humor. She was always in a good mood and was always very happy to see you and would always make you feel extra special in every way.She was an excellent host/cook and the life of the party.She would always looked like a model coming out and walking on the runway;always with her hair all done, along with beautiful outfits, and beautifully applied makeup and nails as if she came out of a resort /spa.She loved her family immensely especially her grandchildren.She definitely will be missed. May she rest in peace. Sincerely, Jerry C. and Donald P.
