Keith was a wonderful, warm and caring man! I sang in the RB Chorale with him for several years. He so generously chaired our scholarship committee for many years and was always an advocate for our high school participants. He had sweet smile and was always welcoming when I saw him at our chorale rehearsals. I'm sorry I won't be able to attend his services, and especially sorry I won't be able to sing our chorale's tribute "Say it with a Song" to honor him. Keith will truly be missed. With love, Marie Nelson

Keith has always been my buddy at RBC. He will always be missed even though we aren't singing any more. He did a wonderful job with the high school seniors and scholarships.

Dear Ones, Keith was our friend and my home teacher for almost 40 years. No matter what we needed help with, Keith was always there for us...no matter if it was a ride to the airport or a blessing. He was ALWAYS so willing and happy to help. We loved him dearly. He will be missed by all who knew him. He has a loving soul and he will be very welcomed beyond the veil. With love, Lynn and Al
