## **Diane M. Bragdon**

FEB 29, 1956 - NOV 1, 2020

**D**iane was a devoted mother and grandmother, who always put others' needs ahead of her own. She was a loving mother, an amazing grandmother (“Nona”), who sacrificed anything to meet her family's needs. Although she was born in Orange County, CA, after moving to San Diego in the late 1970s, she fell in love with the city/county and vowed to never leave. She loved exploring her favorite spots with her kids and grandkids, such as the mountains in Julian, the beaches, Cabrillo, Balboa Park, and everywhere in between. Wherever she went, Diane’s smile and charm would make her quick friends. Anyone who met her instantly loved her and realized how special she was. Friends of her children/grandchildren also called her Mom or Nona, and she treated them with the same care and love as her own family. She loved the simple things in life. Whether it was snuggling on the couch with her kids or grandkids watching Disney movies, playing in the park with her grandkids, or walking on the beach with her sister and mom, she always found joy in the world around her.

Diane is survived by her mother, Dora Rojas, her children Eddie Bragdon Jr. and Aurora Bragdon and her beloved grandchildren, Natalie Skye Miranda-Bragdon and Gabriel Joseph Miranda-Bragdon.

A private service will be held at Greenwood Memorial Park on November 20, 2020.

it is now 2024 and I have just read the obituary for Diane --- her picture shows a very happy and satisfied woman who loved life. I am 81 years of age and have been working on the Bragdon family history for over 50 years and still I am finding some wonderful people with the surname Bragdon that makes one proud to carry the name. All people with the name Bragdon are descended from Arthur and Mary Bragdon who arrived at York, Maine in 1632. I would love to correspond with any of Diane's family..... thank you Mr. Theo Bragdon 1218 Main Road Bradford, Maine 04410

From the first day we met she made me family. Diane and I would take our children walking on the beach. One of us was going to win the lottery and buy a house on Coronado beach and the other one would live in the guest house. We would share the house keeper. And I will never forget the gunuon run mission beach at 1am . Love you, Diane.
