Alicia Bowerman

FEB 16, 1924 - DEC 30, 2020

Maria Alicia Bowerman was born on February 16, 1924 in Calexico, California to Sara Meneses. She passed away peacefully at home on December 30, 2020 in El Cajon, California at the age of 96. She was raised in San Diego, California, and there she went to high school. She worked for Safeway for over 20 years and went on to managing a small home decorating store in Grossmont center in La Mesa, California, which she loved.

She loved her church and all her church family at the Church of the Nazarene; she was a member for over 80 years. She loved her family and friends deeply and was always willing to help anyone that needed it. She loved Christmas time and always tried to make special presents by personalizing each package with different Christmas ornaments. She loved baseball but especially the San Diego Padres. She watched the games every chance she had.

She leaves behind a son, Carlos Romero. Two grandsons and their wives: Carlos Romero and Paulina Santin of San Diego, California and Andres and Kimberly Romero of Murrieta, California. Her niece Lynn Marie McPhedran of Merced, California and Rosario Prieto of Chula Vista, California. She had 5 great grandchildren: Elena, Gabriella, Alejandro, Priscilla and Carlos.

She was my grandmother. I am always going to remember all the Christmas time we had together and how much she loved it. I will always remember how much thought she put in every single present by decorating them with special Christmas ornaments, I still have some of them. I thank God for her life, and I am sure that she is in a god place next to him now. May God give you peace and rest forever Amen. Love Andres (The pictures were taken about 10 years ago)

I met Alicia in the 1980's when she moved into the house across the street and we became friends instantly. We became very close to her and her family as an extension of our own family. Alicia and I had a lot of fun over the years. I took her to Florida with me to visit my daughters and what fun we had. We went to Key West and introduced her to things she had never done before. We took her to South Beach and that was quite an experience for her with lots of laughs. When we moved to Georgia, she came to visit and we showed her the sights around Atlanta. One of the highlights for her was when she and I drove to Plains, GA and went to hear President Jimmy Carter teach Sunday school and because we stayed for church she was able to have her picture taken with him. She was thrilled. We did many fun things together and I already miss her terribly. Our deepest sympathy to you, Carlos and Andres and your families. Alicia was loved by all who knew her and will be missed by all. Life will be a little different without her in it. I loved her

Alicia and I met in the 1960's when her husband Ben and I taught at the same school. We became instant friends. After moving from San Diego to Charlotte, we continued our close friendship with frequent visits and phone calls. I loved her so much and already miss hearing her voice. Thankfully I've many wonderful memories and pictures of our fun times together. It's very comforting to know I'll see her again when the Lord takes me home too. My deepest sympathy to you, Carlos and Andres, and your families. Your grandma will be greatly missed by everyone who knew her. Sylvia Ashcraft

She was known to my brother and me as "Auntie Licha." My Auntie spoke to my mom, Delia, everyday until Delia passed away on Oct 4, 2019. My mom's mother, Connie Valenzuela, was my Auntie's half sister who passed away in the 1960s. Alicia and Delia considered themselves sisters as they were close in age and together on this earth for 88 years. Now, they are together in Heaven. To my Auntie Licha, your Lynn Marie misses you and your unconditional love ❤️❤️
