Ruth Jones lit a candle in honor of Delia.

Estimada Familia Ballesteros: No tuve el honor de conocer a su Preciosa Madre; pero los conocí a ustedes. Las grandes enseñanzas de su Mamá y sobretodo como les inculcó el amor a Dios reflejan una gran mujer que supo guiar y mantener a su Familia siempre unida. Les mando un fuerte abrazo! I remember when I was little my mother used to take us to Delia's house and how I loved being there with all my cousins, always waiting for her to make us beans and flour tortillas to eat, they were the best. She treated me like one of her own and I loved her like you love a mother. I have lots of memories of her, and how she would laugh at our silly things, spending my summers at her house in Tijuana and not wanting to go back to my house because I felt at home when i was there. I will remember her forever and with lots of love, she was a great lady! Love you Delia!
