Years ago, Eastern Star had so many people wanting to be officers that we had "hostesses and hosts". I remember one installation where the hostesses wore pink lace dresses. Pat was a hostess. When ever I think of Pat, I think of her in that pink dress. She looked good.

Pat was a dear friend of during for over 20 years. We lived together for almost 2 years and worked at the same facility (different departments). We did a lot together with friends and co-workers. I will miss her forever and a day.
