In the early '60's, we were lucky to have been next door neighbors on Gavin St with our cousins, the Arce family. It was great because there was so much activity in their household and in the middle of it all, was Dearest Auntie Dot. I loved that she made my siblings and I feel like we were one of hers. She was always planning outings and events, mostly with us younger kids. She even made going to the Navy Exchange and commissary a fun adventure! I will always remember her kindness, generosity and loving ways. Rest In Peace Dear Auntie and may the perpetual light shine upon you. Much love and deepest condolences to our cousins for this great loss. Emilie Uvero Childs

The best memories we have of our Aunt Dot, which there are so many, but two really stand out. Our Family Reunion on the cruise ship which we had her to ourselves and enjoyed every minute. The second is the most precious we can out to visit and Aunt Dot, Eulo Sr and I must of sat on her couch for 3 to 4 hours just listening to stories of her growing up. We loved every minute and we also recorded most of it. Rest In Peace our sweet Angel. Love Eulo and Susan Regala and family.

My memories would take a book of all the wonderful times we had together. She always loved everyone like they were her children. She will be missed so very, very much, I always looked forward to our phone calls that lasted sometimes over an hour. Aunt Dot's memories are too many I really can't pick just one, mine start when I was only 5. Her loving ways will really be missed. Love always and forever, Liz
