I've many special memories of my Uncle Carlos that bring on a smile and even a chuckle...the forever jokester full of life. I'm especially grateful that he took the time to visit my parents, especially in those final years, I know his presence meant a lot to them.....even with my dad's memory loss, he felt the love of a brother. I envision Carlos and my dad together now, embracing, dancing, and telling each other a good joke as they did in life. To my Aunt Elena, cousins Martha & Angelica, all my love, Grace Esparza
