Condolences to the Esparza, Magdaleno, and Lopez families. There were many qualities that stick out to me personally when Maria comes to mind. How amazing she could cook, and how much she loved her family, kids, and cherished her grandchildren. It would never fail to catch her at our nieces soccer games, rare if she missed. She always found a way navigating through life! It was then until we had the pleasure of seeing an entire different version of Maria. That was when Robert came into the picture. She was glowing, her smile was priceless and it was a true joy to see her so genuinely happy. We are beyond grateful for your kindness and sharing your gifts with us! You will be missed and never forgotten. May you rest in peace!
