Jessie Bray lit a candle in honor of Martha.

I love and miss you so much. You were my Momo and the best God gave me! It hurts deeply to know you're gone but I'm so relieved that you're no longer suffering. You are in a better place away from harm and evil. Was also pleasantly surprised to learn that you were a Sunday school teacher! there wasn't much I did know about your past but one thing I did know for certain was that you loved me unconditionally. I'll never forget the radiant smile on your face whenever I would visit and you never let me leave your home empty handed. You showed the meaning of selfless and were the most generous giver. Thank you for everything the world is dimmer without your light now.♥ Your teeta forever
