My big brother I miss you so much. If I only knew that our days were limited I would have spent more time making memories. Donald I'm so happy that we grew closer and treated each other like siblings are suppose to. Your life was taken too soon but your legacy will live forever. Till we meet again in Heaven.. big bruh

Donald. I love you big bruh. You now a thought, a memory, a picture in a frame. There's no voice, no touch, no playing any dice games. Your actions are no longer looked at or not are you being judged! Your words are faint and far away a whisper from above. A song and expression a laughter of some sort. Will be what I remember. Because your life was cut short!! I promise, I'll stop crying when I know you are okay! I promise we will be united again on another day. Tell Daddy, I miss him and I miss you too. I will always be your little sister, you know the one you called sue sue. Till we meet in Heaven. I Love you big brother. By Susan Donald's little sister
