Lovely shared a photo to the **Tribute Wall** album.

Gramma always had a smile on her face when she picked me up from school, especially on Tuesdays or Thursdays when she was ready to go on a quick Costco lunch date before heading home. No matter how big or how little, I'll never forget everything you've done to make sure I was taken care of granny and especially loved.

It's just one of those nights that I miss you so much. Life isn't the same without you but I try my best to keep my head up, my eyes dry, and my heart fixed on Jesus to pull through when I'm missing you. I love you so much ❤️
