Dear Viramontes Family. My deepest condolences to the entire family for the loss of this very important and loving human being. He was always so welcoming to my kids and i. And no matter what, he would take the time to say hi to us when we go visit you Jessica. I remember his laugh and his smile. Nut what i remember the most about you and your dad is how you use to hug and squeeze him and call him Daaaaaadddeeeeee lol! He would laugh but try to get away lol. That to me was a precious memory because there noone like a father. Im sure he's smiling down from heaven thanking all of you for honoring him in this way 🙏🏻❤️ God bless you all and give you strength to bare such a significant loss but a great gain in the presence of the lord. 🙏🏻
