Robert Hughes Barrios Jr

DEC 7, 1946 - JAN 10, 2022

Robert “Bob” Barrios, Jr. passed away on January 10, 2022, at Sharp Memorial Hospital at the age of 75.

He is survived by his wife of 52 years, Olga, his 3 children, Bobby, Jennifer, & Matt, along with his 2 siblings, Dollie and Rex. Bob was a proud Papa to his 4 grandchildren, Santino, Brando, Isabella, & Ava.

Bob leaves a strong legacy founded in his passions of military service, career, and family.

Bob was a proud retired U.S. service member. He served in the Army, Infantry division, and was a Vietnam veteran where he guided pilots to their targeted coordinates. Bob could often be found with an American flag pin on his suit lapel.

After his military service ended, Bob became a Radio DJ, where his love for music grew. Bob loved to listen to many types of musical artists, and enjoyed countless live concerts.

Never to be idol, Bob pursued becoming his own boss, building his empire from a juice delivery route to a flourishing distribution company and several fast food restaurants.

Bob’s greatest happiness could be witnessed any time he spent with his family and close friends. Whether at his epic Chargers football tailgates, many vacations around the world, or attending any sporting activity of his grandchildren, Bob relished being with the people he loved.

Bob will be sorely missed, as his larger-than-life legacy leaves a big void for those left behind.

Written on behalf of my grandmother, Katherine Weber: I was in love with Robert at the age of 14. I've just learned of his passing and am truly crushed. I have many fond memories of us as kids fooling around on his motorcycle. He was a great first boyfriend. It sounds like he turned out to be a great guy, which I knew he was from the beginning. He's been in my heart all my life and I have thought about him a lot over the years. We had some fun times as kids growing up. Love you forever Dino.

Bob was an insurance and investment client of mine for over 40 years. I especially enjoyed our meetings and calls because he always had an entertaining story to tell. It may have been about the Chargers, the family or the growing business. He was proud of his family and his accomplishments. I cherished our relationship and will miss those chats and his beaming smile. Brad Davis
