Sheri L. Giesecke

AUG 31, 1970 - APR 15, 2022

Sheri was born at Grossmont hospital in La Mesa California. At the age of 5 months Sheri was diagnosed as severely disabled with uncontrolled neonatal seizures. Sheri has spent 51 years in various care facilities lying on her back, not able to reposition herself for comfort, or call for help when she hurt, or express in any way her needs of hunger or to even scratch an itch. Sheri was unable to walk, talk or see for 51 continuous years of her existence. Sheri was loved but unable to express any meaningful emotions in return. Her life was not a mistake. God has a purpose in every life He creates, and we will one day understand Sheri's purpose. We rejoice Sheri is now able to run, jump, walk, talk, see and hug her loved ones that have been waiting for her. We know this because of God's promises to those who believe in His Son Jesus Christ our Redeemer. Oh death, where is thy sting? Oh grave, where is thy victory? Jesus Christ is our victory over death and the grave because we believe in Him. Amen!
