I just overheard a conversation, talking about the service for Stanley from St. Rita's and we only knew 1 Stanley. We are so sad to hear of this great loss. St. Rita's church members, especially the weekly early morning masses. We are heart broken that we didn't know. Stanley was a faithful member of St. Rita's and we would have been there in a second, if we knew anything about him being sick. Stanley was not just a man of faith, but he supported the church and all the groups functions and events in all the years he served the church. Our hearts and prayers goes out to Stanley's family and I cannot tell you how sorry we are finding out this sad news way too late. Even though, he has gone, please let us know, if there's anything we can do for his family. With a heavy heart, Bernadettealoeseb@icloud.com
