To my aunt Maria Ramos Martinez born June 1st, 1930 in Mezquitic, Jalisco, Mexico. The oldest of 4 sibling Reynaldo Ramos, Amelia Ramos, Rafael Ramos. She is preceded in death by her husband Frank Martinez, father Romaldo Ramos, mother Francisca Maria Martinez and sister Amelia Ramos. My Tia had two sons Robert and Frank. Maria also had many nephew and nieces, grandchildren and great grandchildren. Maria and her brother Reynaldo lived in the same City of Los Angeles, then later moved to Chula Vista. Her mother would always say I am going back to Chula Vista when she got tired of Bakersfield. There was always a connection with the family no matter the distance a phone call or a quick weekend visit. Communication was a key point to being in touch. She would me call after my mom her only sister passed away in 2010, just to see how her family in Bakersfield were doing. My Tia was strong woman growing up fast at a young age and surviving her youth in Mexico. America gave the opportunity to prosper for her and husband. I give my deepest condolence to the family and friends. Tia you will be missed. Love your Nephew Ramon Ramos Camacho
