AUG 7, 1985 - JUN 18, 2022

**M**ichael Donely was a man of God with a teachable spirit. He was a vessel used by God to help and love on others. He always had a dream of being a truck driver so as soon as he received his CDL license he knew he wanted more for his life and family so he bravely packed them up and journeyed to Chicago where he United with some other family members to include his father. He wanted to travel to each state to experience the different cultures and lives of other people. His desire was to be so successful in his career that he would own his own “hot shot 350” and be good at what he does. He was a loving father to his son, stepchildren and grandkids. He was a young man when taking on the responsibility of helping with step kids and grandkids, he is a man that you can always count on to help in any situation, he devoted himself to his family and his main focus was pleasing helping and pleasing everyone. He was always so happy and ready to go! He just worked so hard to provide so the family wouldn't struggle, Always with his wife side by side, they did everything together, Michael carried a lot of weight of life and still pushed on no matter what, a man who loved to look good and have the best of life, his morals of life is his wife's and family, he loves hard and dedicated his time to always just be the best
