We probably first met at one of the family gatherings at gmoms and gpops. Lol. After you and your mom pull up we'd fix our plates and then sit down in the living room and watch whatever was on the screen. Usually football or a movie. When I think about it, you were close to finishing up high school. I didn't catch on to our age gap for a while. As we grew older, our conversations picked up. Our laughs got louder and your freestyles were getting longer. Lol. I'm going to miss you Trevon. I'm going to miss our games of horse between me you and Dre . Our jokes. Our hugs. Everything man. I'm blessed to have known you. Thank you for making me feel like family. Love you bro. Your memory is going to live with us forever. See you again.

Nephew.... You were one of the kindest people I've ever known in my lifetime. My heart breaks  every time I think of your AMAZING SOUL not being here in the physical. Just know I LOVE you and you'll live on through the lives that you have saved as a organ donor. You'll always be my hero. Your wings were ready but my heart was not. Rest In Heaven Young King
