I only worked for Ricardo for six years through 2005 but he was one of the BEST bosses I ever had in my 3+ decades working for the County. He had his own teaching style for sure, but once you figured it out, you learned a lot. He was a funny, often frustrating, but caring man who provided the guidance we needed to succeed and many of us, including me had long successful careers because of him. Someone I will remember always. RIP until we meet again.

I am so shocked to hear this. I've known Ricardo since he worked at the downtown San Diego Social Services. I am just now finding out about his passing. I was wondering if anyone knows how to get a hold of Mrs. Ofelia (his mom) or please pass my number along to her if possible...904.864.9158 I would greatly appreciate the help. Thank you

Ofelia and family. My heart breaks for you. I remember Ricardo playing softball with us when he was young and then working with him all those years. Much love and prayers to your sweet angel.
