I knew Jaida was a wonderful young lady, friend, athlete, and human, and it was not surprising to learn that her kindness, compassion, and tenacity in life only grew stronger as she ventured on to college, and then to pursue her doctorate in Physical Therapy. Brenda and Stewart, you must be so incredibly proud to know the positive impact Jaida had on so many. You raised a beautiful soul who blessed so many. She will be forever missed.

We did not personally know Jaida, but the way our son Dylan spoke of her and their friendship, I can only imagine what a wonderful person she was. We are praying God gives the family peace, strength, and everything they need during this time. Darryl and Vickie Gladney, Arlington, TX
