# Erickson Santos Ladiero

AUG 7, 1978 - MAY 14, 2023

**E**rickson S. Ladiero, age 44, passed away peacefully in the early morning on Sunday, May 14, 2023. His brother, Joe, was with him.

Erickson was born to Adelina and Francisco Ladiero at the Naval Hospital in San Diego on Monday, August 07, 1978. Erick graduated from Morse High School and received his Associates Degree from CCSD California College San Diego.

Erick was an amazing young man with a great sense of humor. He always had a smile on his face. His laugh was infectious. I could hear it now.

Most of all, Erick loved to spend time with his family and friends.

Erick had a passion for working out, walking around shirtless (to show off his six-pack) and eating healthy, but he also had a major sweet tooth. He always knew where to take us to get the best desserts!

Erick was a true foodie and was very adventurous in trying anything, but his all-time favorite was eating pho. Erick loved his San Diego Chargers, till they left...

There were many great moments going to Charger games with family and friends or just hanging out with the guys watching football. Erick will truly be missed by everyone who loved him. Erick is survived by his fiancé Christine, his six years old beloved son Adrian, stepdaughters Alana and Ava, siblings Roel, Anna Lissa, Joe and Sheril, nieces CheyAnne and Aurora, nephews AJ, Noel, Noah, and Riley, God-daughters Samantha and Laylah, aunts, uncles, cousins, and many countless amazing friends. Erick's parents preceded him in death. Rest in Paradise Erick. Your memory will live through us. Forever, love you.

"Blessed are those who mourn, For they shall be comforted."

That is how I will always remember him... flashing his smile that lit up the world. He was good people. Thoughts and prayers go out to my dear friend Christine and the rest of the family. You all have gained a loving guardian angel.

From my family to your family, we are sorry for the lost of a great man. Erickson or as he was called Erick at Amazon, was one of the most positive and outgoing people that you could ever meet. Erick's positive attitude rubs off on the drivers, Amazon employees and customers that he met and interacted. Even when he had the toughest route, he would still find a way to get it done. His positive outlook is inspiring me to a better person to honor the legacy of this great father, son and husband. - Tim Lewis
