Joseph Atino Tauanu'u

APR 2, 1998 - MAY 29, 2023

Joseph Atino Tauanu'u born on April 2, 1998 to parents Aukistino Milo and Elisa Adams was called home to be with our Lord & Savior on May 29, 2023.

Sefa as everyone knew him, was dancing, wrestling and making everyone laugh since he could walk and talk. He was filled with so much life. A smile that lit up every room he walked in & an infectious joy that will forever be missed. The second of his siblings to attend a university and receive an athletic scholarship, he loved playing football. He loved winning and so every gathering we knew any card game that was being played he'd be a winner at some point throughout the day. His love and taste for music was so widespread every genre that exists, was on a playlist in his phone. He loved his family & friends with so much depth everyone knew if you'd call he would come running. We will cherish & hold on to every memory Sefa, we love you so much.

I worked with Joseph and have very fond memories of him. He was kind, polite, handsome and had a sweet soul. He will forever be remembered that way. My condolences to his family and friends.
